Background

The Ryan White HIV/AIDS Program (RWHAP) Part D provides grants to local, community-based organizations to provide outpatient family-centered primary and specialty medical care and support services to help low-income women, infants, children, and youth with HIV.

RWHAP Part D grant recipients are required to provide certain program and fiscal reports each year, including an annual Allocations Report. The Allocations Report is an aggregate report submitted through the HRSA Electronic Handbooks (EHBs) that all RWHAP Part D recipients must submit within 60 days of the release of their final Notice of Award (NoA). It serves as a reference to determine how recipients allocate funds each budget period to meet the needs of people with HIV.

The Allocations Report is one of several RWHAP reports linked to the Grantee Contract Management System (GCMS). The GCMS decreases data entry burden by sharing information between multiple HRSA HAB reports. For further information on the GCMS, see the [GCMS Manual](#) available on the HRSA HAB website. Core medical and support service categories are defined and explained in [Policy Clarification Notice \(PCN\) #16-02 RWHAP Services: Eligible Individuals and Allowable Uses of Funds](#).

If you have programmatic questions about the RWHAP Part D Allocations Report, please contact your Division of Community HIV/AIDS Programs (DCHAP) project officer. If you need additional assistance or have technical questions about the RWHAP Part D Allocations Report, please contact RWHAP Data Support at 1-888-640-9356 or RyanWhiteDataSupport@wrma.com.

Accessing the Allocations Report

The RWHAP Part D Allocations Report is accessible via the HRSA EHBs. You must have a HRSA EHBs user account with appropriate access to your agency's grant to view and complete the report. To access the RWHAP Part D Allocations Report, follow the steps below:

STEP ONE: Log in to the [HRSA EHBs](#) site. From the HRSA EHBs homepage, hover your cursor over the "Grants" tab at the top of the screen and select "Work on Other Submissions" under the "Submissions" header ([Figure 1](#)).

If you need assistance with your Login.gov username or password, contact the Login.gov Support Team at (844) 875-6446 or [submit a help ticket online](#).

Figure 1. HRSA EHBs: Screenshot of the Grants Dropdown Menu

STEP TWO: On the next page, "Submissions – All," under the "Submission Name" column, locate the Allocations Report you would like to access ([Figure 2](#)). Under the "Options" column, select "Start" or "Edit." The first time the report is accessed the link will read "Start," but once the report has been started, the link will instead read "Edit." A new window will appear.

If you are attempting to work on your GCMS contracts before the submission period begins, you must access the GCMS through your previous year's Allocations Report or your most recent RWHP Services Report (RSR).

Figure 2. HRSA EHBs: Screenshot of the Submissions - All Page

Submission Name	Submission Type	Organization	Grant #	Tracking #	Reporting Period	Deadline	Submitted Date	Status	Options

FY 2024 Allocations Report	Other Submissions	Health and Happiness Clinic	H12HA00000	123456	08/01/2024 - 07/31/2025	09/30/2024	09/12/2024	Submitted	Submission

Searching for “Allocations” in the filter header of the “Submission Name” column may help you find your current Allocations Report faster.

If you need help navigating the EHBs to find your annual Allocations Report, call the EHBs Customer Support Center at 1-877-464-4772.

STEP THREE: You are now in the Allocations Report Inbox ([Figure 3](#)). From here, you can access your contracts in the GCMS and your report. To access the GCMS, select “Search Contracts” in the Navigation panel on the left side of the page. To access your Allocations Report, select the first envelope icon under the “Action” column on the right side of the page. The first time you access the report, the envelope icon will read “Create,” but once the report has been started, the icon will instead read “Open.”

Figure 3. RWHP Part D Allocations Report: Screenshot of the Allocations Report Inbox Page

The screenshot displays the HRSA Electronic Handbooks interface. The top navigation bar includes links for Tasks, Organizations, Grants, Dashboards, Free Clinics, FQHC-LALs, and Resources. The main content area is titled 'Allocations Report Inbox' and features a table with the following data:

#	Report ID	Submission	Name	Grant Number	Budget Year	Modified Date	Status	Action	Comments	Action History
1		Allocations Report	Health and Happiness Clinic	H12HA00000	08/01/2025 - 07/31/2026		Not Started	Create	Comment	History

Below the table, there is a section for help and support, including contact information for the HRSA Help Desk and a link to the HRSA Electronic Handbooks Contact Center help request form. The page also shows the user is logged in as 'GranteeDataViewer, GranteeDataEditor, GranteeDataSubmitter' and provides a link to download Adobe Acrobat Reader.

Completing the Allocations Report

The RWHAP Part D Allocations Report is an aggregate report that captures budgetary information on the allocation of grant funding for the specified budget year. The fiscal data submitted as part of the Allocations Report are entered in two places in the RWHAP Part D Allocations Report web system: within the Allocations Report itself and in the agency's contracts in the GCMS.

RWHAP Part D recipients must have a contract in the GCMS for each agency funded to provide services with their RWHAP Part D award. These contracts include values for funding allocated to core medical and support services. Details from the GCMS contracts are then imported into the Allocations Report, where recipients will enter values for additional allocations from their award.

Once recipients have entered all values and completed their report, they can validate and submit it, at which point it is sent to their DCHAP project officer for review. If you need assistance or have questions about the RWHAP Part D Allocations Report submission, please contact your DCHAP project officer.

GCMS Contracts

As part of the RWHAP Part D Allocations Report submission, recipients must have contracts present in the GCMS for all agencies funded to provide services with their RWHAP Part D award. This includes providers of direct core medical and support services to clients as well as providers of administrative and technical services. Information from the contracts in the GCMS is imported into both the Consolidated List of Contractors (CLC) and Allocations Report sections of the RWHAP Part D Allocations Report.

Contracts are typically added to the GCMS during submission of the Allocations Report. It is recommended that recipients add their contracts before beginning the Allocations Report, as this saves them the extra step of synchronizing any contract updates with the report. Agencies should also be sure to align their contract dates in the GCMS with the dates of their award's budget period. Each provider should have a separate contract for each year they are funded to provide services. Do not reuse the prior year's contracts by updating the dates to the current year.

You can access the GCMS at any time in the RWHAP Part D Allocations Report web system by selecting "Search Contracts" in the Navigation panel on the left side of the screen. For further instructions on adding your contracts to the GCMS, please see the [GCMS Manual](#) available on the HRSA HAB website.

File Upload

For the RWHAP Part D Allocations Report, there are no required additional forms to upload. In rare instances, your project officer may request additional supplemental documentation as part of your Allocations Report submission. In these cases, use the supplemental document upload feature in the File Upload section of the report. Select “File Upload” in the Navigation panel on the left side of the screen and then select the “Upload Supplemental Document” button at the bottom of the page. Locate and select the supplemental documentation saved on your computer to add it to your report.

Consolidated List of Contractors (CLC)

To access the CLC Report, select “CLC Report” in the Navigation panel on the left side of the screen. The CLC is a list of all organizations that are funded to provide services with your agency’s RWHAP Part D grant, including providers of core medical and support services to clients as well as providers of administrative and technical services. The list is generated automatically based on the information entered in the GCMS.

Review the CLC Report ([Figure 7](#)) for accuracy and completeness, paying attention to the contract dates, funding amounts, and funded services (select the expansion button to view the services for each provider). All agencies funded to provide services with your RWHAP Part D award (including your own organization if it provides services) should have a contract in the GCMS and be listed in the CLC Report. The contract dates should align with your budget year to prevent future reporting issues.

To update the CLC, you must modify the associated contract(s) in the GCMS. For further instructions on editing contracts, see the [GCMS Manual](#).

Validating and Submitting the Allocations Report

After you have completed all required sections of the Allocations Report, the next step is to validate it. The validation process looks for potential problems in the information you entered and lets you review them before the report is sent to your project officer for review.

Select “Validate” in the Navigation panel on the left side of the screen to begin the validation process. Wait a few minutes for the process to complete and then refresh the page by selecting “Validate” in the Navigation panel again. The system will either display your validation results or ask you to continue to wait while the validation request continues to process.

If you receive a green congratulations message, then you can proceed to submitting your report. Alternatively, you will see a table of validation results ([Figure 12](#)). Validation messages are sorted into categories: errors, warnings, and alerts. For the RWHAP Part D Allocations Report, there is only one type of validation message: errors. Errors must be corrected before you are able to submit your Allocations Report.

If you receive an error, correct the information in your report based on the validation message and revalidate your report using the instructions above.

Frequently Asked Questions

Where do I enter funding for the services my agency provides using RWHAP funding?

Funds allocated to core medical and support services are entered into the GCMS. If your agency is providing these services, you will enter a contract with your own agency for these services in the GCMS. See the [GCMS Manual](#) for more details. Funds allocated to administrative activities are captured in the “Allocations Report” section of your report. See the [Allocations Report](#) section for further details on how to enter and modify these amounts.

Is my agency required to upload documents to complete the Allocations Report?

There are no required documents to upload as part of the Allocations Report. If your project officer requests or you would like to include additional documentation, use the “Upload Supplemental Document” link in the “File Upload” section of your report to upload the documentation to your report.

How can we correct funding amounts within the report if we need to make changes?

If your agency needs to make changes to amounts allocated to administrative activities, update those amounts in the “Allocations Report” section of your Allocations Report. If your agency needs to make changes to amounts allocated to core medical or support services, update those amounts in the associated contract(s) in the GCMS. See the [GCMS Manual](#) for more details.

In the Allocations Report, there are fields that I cannot edit, such as core medical services. How do I edit them?

Funds allocated to core medical and support services are captured in your contracts in the GCMS. See the [GCMS Manual](#) for more details.

The Allocations Report or CLC are not capturing my contracts even though I have entered them in the GCMS. What do I do?

Information entered into the GCMS is not automatically pulled into the Allocations Report or CLC once your agency’s Allocations Report has been opened. You will need to synchronize the changes that you have made with your report. See the [Consolidated List of Contractors \(CLC\)](#) section for details.

My Allocations Report says it is “locked” and I cannot edit anything. What does that mean?

Another user from your agency is accessing the report. If you believe this is an error, call Ryan White Data Support at 1-888-640-9356 or email them at RyanWhiteDataSupport@wrma.com.

If my agency awards part of our grant to subrecipients, why is our agency not marked as an administrative agent, fiscal intermediary, or lead agency in the GCMS?

As a recipient, your agency is expected to manage all RWHAP funds. Management of RWHAP funds includes but is not limited to selecting subrecipients, awarding contracts, providing clinical quality management guidelines, and ensuring subrecipient compliance with RWHAP policies. As a recipient, you may choose to delegate some of your agency's responsibilities. If your agency does choose to delegate some responsibilities to a third party, this entity would be classified as an administrative agent, fiscal intermediary, or lead agency. See the [Glossary](#) for definitions of these terms.

Are the contracts I entered into the GCMS also used for other RWHAP reports?

Yes, RWHAP Part D contract information is also used to populate the RWHAP Services Report (RSR).

Can I edit my report after I submit it?

No. Once your report has been submitted, you cannot edit your report. However, you may ask your project officer to return your report to you for changes.
